

What makes a match in Early Learning SF?

Early Learning SF creates better matches for your program.

The system compares your program's offerings to family preferences and tells you which children may be a great match.

Required Match	
<i>(Program offerings and family preference must match exactly)</i>	
Field	How the Match Works
Program Type <i>"Center"</i>	Families match to you only if their preferred program type matches you
Vacancy Start Date <i>"11/10/2018"</i>	Families match to you only if their preferred start date is on or after your vacancy start date
Subsidy <i>"Reserved"</i>	Families match to you only if their income/needs eligibility matches your vacancy subsidy type
Date, Age Range <i>"0-1 yrs. old"</i>	Families match to you only if the child's date of birth matches your vacancy age range
Business Name <i>"Happy Smiles Day Care"</i>	If families enter your name as their exclusive preferred program (optional, not required), they will only match to your program If family enters your name as preferred program (optional, not required) they will match to your program first and receive other matches
